

# HURRICANE WARNING

Hurricane season is upon us. Because we have not had huge hurricane events these past few years, we may not be as prepared as we need to be. We encourage each and every one of you to become a “72 Hour Lutheran”, a person who has enough supplies in their home to meet their household’s basic needs for 72 hours.

Being prepared to take care of your own family allows you to then reach out and help others.

When you get home today, take a moment to make this a priority:

- Use this checklist for supplies
- Determine escape routes
- Make an evacuation plan for all pets
- Share one out-of-state emergency contact with all of your family and friends
- Call your church and be sure your information is correct
- Know the vulnerability of your home and the safest areas within it
