

LiveOn

LiveOn is the name of the mission endowment fund of the Texas-Louisiana Gulf Coast Synod. It provides scholarships to seminary students, and financial support for campus ministries at colleges and universities, new mission starts, and redevelopments of churches. The fund is carefully tended and grown through individual gifts, church contributions, and legacy giving by those who want to see their Christian faith continue to flourish in the Synod after they have passed on. For more information, please contact our gift planner in Texas through the Lutheran Foundation of the Southwest, John Roalson, at jroalson@lfsw.org.
